

The WOLONG Electric Group, listed on the Shanghai Stock Exchange in China, currently has 55 subsidiaries and employs over 18,500 people worldwide, including 3,000 in Europe. The WOLONG Group is one of the leading manufacturers of power drive system solutions and is one of the world's TOP 5 producers in this segment. The product portfolio ranges from motors and inverters, generators, power supply batteries and transformers and other related products in a power range from a few watts to 135 megawatts.

High-speed motors, efficiency-optimized motors, explosion-proof drives and large motors are manufactured at the Mönchengladbach production site.

At our location ATB Schorch GmbH in Mönchengladbach we are looking for a:

Project Manager (m/w/d)

Responsibilities:

- Processing, checking and, if necessary, commercial inspection of incoming orders
- Conversion of customer requirements into a production order
- Collaboration and support in the creation of documentation
- Checking deadlines, tracking and monitoring production progress
- Coordination and consultation with upstream and downstream departments
- Link between sales/customer and specialist departments
- Coordination with the calculation/design department in the event of technical issues and with the purchasing department in the event of merchandise/customer reporting activities or imminent delivery delays
- Exchange with the finance department to clarify outstanding receivables and communication with sales/customer
- Customer acceptance at the plant
- Cooperation with the shipping department to coordinate delivery details and notification of readiness for dispatch
- Contact and coordinator for sales/customer during the warranty period and link to the service department

Requirements:

- At least completed technical training or comparable
- Professional experience in order processing/customer service
- Good written and spoken English, other language skills an advantage
- Confident handling of MS Office applications
- Ability to express yourself well, work independently and grasp things quickly
- Willingness to travel and willingness to undergo further training and education
